

Are You Ready

Greg White Jr.

Verse 1: Cut-offs slipped off
Man I swear my jaw just dropped
Flip-flops kicked off
Popping tops and rocking along
To the sound of Margaritaville
Yeah, this is so chill

**CH1: Are you ready?
Can you handle this
Bikini tan lines and rose red lips
Are you ready
To show some skin
Love the view no matter where I sit
Grab a cool drink and some shades
Got ninety summer days
Are you ready?**

Verse 2: Sunshine unwind
Coconut perfume,
Tequila and lime got me
So high, won't lie
Jammin tunes sing all the lines
To Marley and Three Little Birds
Come on, ya'll know the words

(Chorus 2)

Bridge: We got kegs and boats floatin'.
Perfect mix for a love potion

(Chorus) x2
