

Greg White Jr.

Shoes

Well I'm out here swinging a hammer (Verse 1)

Working my fingers to the bone

And like I'd like to believe it

My baby she ain't home

I know she's an addict

but I don't know what to do

I just know it

She's out buying shoes

Cuz it's two fer one (Chorus)

BOGO

Sales of all varieties

And while she's talking it up

I'm thinking

That ain't no deal to me, no!

But it's boots and heels

And how they feel

That really lights her fuse

When she's out buying shoes

But honestly she's lovely (verse 2)

My Beau, my southern belle

She takes care of home

Never leaves me alone

Greg White Jr.

Except if there's a sale

And right now I'm complaining

Yeah the bill stacks up pretty high

But I love her in them cowgirl boots

With legs up to the sky

Cuz it's two fer one

(Chorus)

BOGO

Sales of all varieties

And while she's talking it up

I'm thinking

That ain't no deal to me, no!

But it's boots and heels

And how they feel

That really lights her fuse

When she's out buying shoes

(Instrumental Lead)

Repeat Chorus

(repeat) When she's out buying shoes

I'm still out here swinging a hammer

(outro)

Working my fingers to the bone

And while I'd like to believe it

My baby, she ain't home...no.
