

# Tennessee Heaven

Greg White Jr.

Capo 2 Key of A

G-Cadd9-Em7-D x2 for intro

G Cadd9  
V1: Can you picture Heaven? 6  
Em7 D  
I thought how it might be 6  
G Cadd9  
And I hope that it's like 6  
Em7 D  
Grandpa's house in Tennessee 7  
G Cadd9  
Where every early morning 7  
Em7 D  
I come down to Grandma's love 7  
G Cadd9  
In the form of eggs and bacon  
Em7 D D  
And Grandpa's big bear hugs

Chorus:

G G  
I hope that Heaven  
Em7 D Cadd9  
Is just like Grandpa's house in Tennessee  
G  
Oh can you picture that?  
Em7 D  
Blue grass, the hills, the trees  
Cadd9  
And I believe  
Em7 D  
That instead of walking,  
F Em Cadd9  
We'll have wings with great big feathers  
Cadd9 Em7 D  
If it ain't like my Tennessee Heaven,  
Cadd9  
Maybe it's better

V2: Yeah the pond it sparkles  
Like crystals in the sun  
And the fruit trees by the water,  
Yeah climbing them is fun  
I love to take you fishing and  
I love that there's no school  
And that dirt road it ain't quite gold,  
But that clay is pretty cool

### **Chorus**

Bridge:

D

At night we're on the front porch to give the Lord some praise
